MISSION STATEMENT

Construction Monthly is a national publication reaching regional markets and bringing together the building and construction professionals. We hold ourselves to the highest standards when we say we truly care about the companies that comprise the industry.

Build Expo USA has created advertising packages that include advertising in the digital and the print version of the Construction Monthly Magazine South Florida Build Expo Buyer's Guide, web advertising on the South Florida Build Expo homepage, and additional sign exposure on-site at the show.

Ultimately these packages are designed to drive more traffic to your booth and provide maximum exposure, before, during and after the show.

Our readers and attendees come from industry segments like architecture, engineering, commercial building, development, facility management, residential building, general contracting, government agencies, municipalities, property managers, remodelers, real estate professionals, and more.

WHY ADVERTISE

THE POWER OF A HUGE MARKETING CAMPAIGN IN THE OFFICIAL SHOW MAGAZINE.

Stand out at Build Expo when you advertise in Construction Monthly South Florida Build Expo Buyer's Guide. Let your buyers know you will be in the show before they arrive, direct them to your booth during the show, and make sure they remember you after the event.

- Save money by using the show guide as your flyer. Many attendees throw flyers away but keep the show magazine as a reference until the next Build Expo event. Stay in their minds by having an ad!
- Decision-makers who attend the South Florida Build Expo use the guide to plan their visit.
- Show guides are mailed to pre-registered attendees before the show. This is your chance to generate sales before, during, and after the event.
- Frequency - you are in the **show magazine three times:** your ad, your company name with booth# on the exhibitor list, and your resource listing. We give your company exposure via email, website, and direct mail.
- As soon as the guide is ready for publication, it is uploaded to both the Construction Monthly Website and the Build Expo Website, which gives you online exposure before the show. In addition, a link to the show guide is used in our e-blast reminders to pre-registered and potential attendees. They see your ad all the way up to the show.
